

HOLMES COUNTY HUMANE SOCIETY, Inc.

The mobile RASCAL unit provides low-cost spaying, neutering, and vaccination services. Participants must pre-register on-line & pay by Pay Pal or mail a check 2 weeks before to hold a spot. Clinics accommodate 30 cat/dog spay and dog neuter spots and 20 additional cat neuter spots. Once a clinic is full registration begins for the following clinic.

There is a \$15 RASCAL administration fee per NON-SURGERY appointment per animal. (The \$15 RASCAL administrative fee does not apply for surgery appointments.)

- If a pet is found to be spayed after sedation, there will be a \$25 fee.
- Pregnant dogs and cats will be charged \$5-\$10 extra.
- Additional monies may be due the day of appointment for weight adjustment, if your female is in heat or pregnant, or if you choose to have additional services performed.
- **Must provide written proof of current Rabies (tags do not count)** by a licensed vet or purchase one for \$10.
- Please bring cats in a labeled carrier & provide a crate for your dog if possible.
- **No food after midnight** the night before surgery (water is okay).
- **Arrival time: 8:30am - 9:30am (same day pickup). We will call when your pet is ready to go home.**

We carry Interceptor Plus, Vectra 3D, Bravecto, Credelio, Trifexis, and Dronal Plus for dogs, and Centragard, Catego, Revolution, and Bravecto for cats. We have limited supplies due to space. For a longer supply for patients we have examined, please visit our online pharmacy at VetSource.

A heartworm test or proof of a negative heartworm test is required prior to prescribing heartworm prevention for patients 6 months or older. Patients are considered to be over 6 months of age once their canine teeth have completely erupted. We will not dispense heartworm prevention to animals that have not been seen by our doctors and without heartworm testing or proof of current negative heartworm test.
